

Marcela Pinilla

BIO: Marcela Pinilla is a Latin alternative singer whose musical journey has taken her around the world. She has had the pleasure of performing in many languages and in many countries from across South America to China, Malaysia, Indonesia, Singapore, and the United States.

The influence of both her journey and the vast array of musical styles she grew up with, give Marcela a sound that is uniquely her own through which she brings exciting Latin rhythms to life with the influence of jazz and traditional Spanish guitar.
